

**Class of 2023**  
Graduation- Frequently Asked Questions  
*Saturday, June 3, 2023*  
9:00 am in the EHS Auditorium

- How many graduation tickets do we get?
  - Each graduate gets seven (**7**) tickets for their family and friends. Only six (6) of the tickets will be permitted for the auditorium. One (1) ticket will be permitted for the overflow section in the Commons. The Senior is **not** included in that amount of tickets; the senior does not need a ticket.
- How do I get extra tickets?
  - Extra tickets are **NOT** available at this time. We will create a link to request tickets should they become available. They do not cost anything. **Adding your name to the link does not guarantee an extra ticket.** It does create a system of fairness in case we do have extras available. We encourage you to speak to other graduates to determine if they will need all of their tickets, and perhaps, obtain tickets from them.
  - The link will go live at 9:00 am on **May 29, 2023.**
- How many parking passes do we get?
  - Every family gets (2) parking passes. There will **NOT** be additional parking passes available.
  - Student drivers will **not** be allowed to use their student driving decal, to gain access to the parking lot.
  - Student/Graduate drivers are encouraged to bring guests in their vehicle.
- What should my Senior wear under his/her graduation gown?
  - Young men should wear black dress pants, dark socks, dark shoes, white dress shirt, and tie. **This is mandatory and non-negotiable.** Young women should wear school appropriate clothing. Sneakers, flip flops, boat shoes, crocs are not permitted. This is a dignified event and we are committed to excellence.
  - Sunglasses, doo-rags, and earbuds are not permitted.
- Is my Senior allowed to bring a bag to graduation?
  - We recommend that seniors not bring purses, backpacks, cell phones, wallets, etc. It will be difficult to hold and/or monitor.
- When is the last day for the Senior class?

- Why can't my student get his/her graduation tickets?
